Department of Philosophy (PHIL) AI Degree Program Course Approval Letter

2/10/2025

The Department of Philosophy <u>approves</u> inclusion of the **PHIL211** in the upcoming Bachelor of Science in Artificial Intelligence degree program as a required course, conditional on receiving appropriate support from AIM for funding the additional TAs are required to serve BS students. This includes funding both to pay for the TA-ships, and to ensure that there are sufficiently qualified GAs to receive it.

Sincerely,
Fabrizio Cariani
Professor and Chair of Philosophy
